To get the most out of your campus tour experience we make sure to plan it out well.

As we mention above most campus tours involve an admission session, a tour, meeting with students and a meal at the dining. This allows prospective students to get a full sense of the college in this time. You can try to do less and fit it in a third. We would recommend cutting on the tour or admission session.

We are flexible when it comes to different schools and can change the itinerary to whatever best fits your needs and objectives! Travel and do campus tours with GO!
